FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Re: *In the Matter of Section 272 (f)(1) Sunset of the BOC Separate Affiliate and Related Requirements, WC Docket No. 02-112; 2000 Biennial Regulatory Review Separate Affiliate Requirements of Section 64.1903 of the Commission's Rules, CC Docket No. 00-175*

Dear Ms. Dortch:

On March 25, 2004, Qwest submitted certain information in the above-captioned proceeding in response to an earlier Commission staff request. Subsequently, Qwest identified an error in Attachment 1 of that submission. In preparing the data for filing, a final sort was performed to put state data in alphabetical order. Unfortunately, only data for January - November was sorted; December data was inadvertently excluded. The data has now been sorted correctly and is attached (this attachment has been marked "CORRECTED" in order to distinguish it from the previous version, which should be eliminated). Portions of the aforementioned attachment are being redacted, with the confidential version of the attachment designated as Confidential - Not for Public Disclosure. Pursuant to Sections 0.457(d) and 0.459 of the Commission's rules, 47 C.F.R. §§ 0.457(d) and 0.459, Qwest requests that the non-redacted information in the attachment be withheld from public inspection. The non-redacted portions of the attachment contain Qwest's confidential information. Disclosure may cause substantial competitive harm to Qwest. Accordingly, the non-redacted information is appropriate for non-disclosure either under Sections 0.457(d) or 0.459 of the Commission's rules.

In accordance with Commission rules, Qwest is submitting (under separate cover) the non-redacted version of the aforementioned attachment. Acknowledgment and date of receipt of this submission are requested. An original, one copy and a duplicate copy of this request are provided. Please date-stamp the duplicate upon receipt and return it to the courier. If you have
